Junior Training Venue

Due to ongoing issues with the leaking roof at The Link Centre which has seen numerous closures of the sports hall during the summer and the proposed closure of the hall during November & December 2009 for refurbishment elsewhere in the centre, the Club are pleased to announce that with immediate effect that the Thursday night junior training sessions will now be held at The Croft, the spiritual home of the Club.

This time last year, the Committee listened to our Junior members and changed the training nights from a Fridays to Thursday nights, which has seen an increase in regular attendance by our 16 - 18year olds. The Croft were unable to accommodate the move last year and we were fortunate to secure the use of The Link.

The Club are grateful to The Link for the assistance in the 9 months that we have used their facilities.
